

LOVE TRIANGLE - a new installation by CiCi Blumstein

Have you ever lain awake all night wondering:
How much do you love me? How much do I love you?
How big is your love?

Don't worry any longer - come and find out
with the help of the **LOVE TRIANGLE**.

For one night only, artist CiCi Blumstein
will transform her current *Measuring
Room* installation into the
LOVE TRIANGLE.

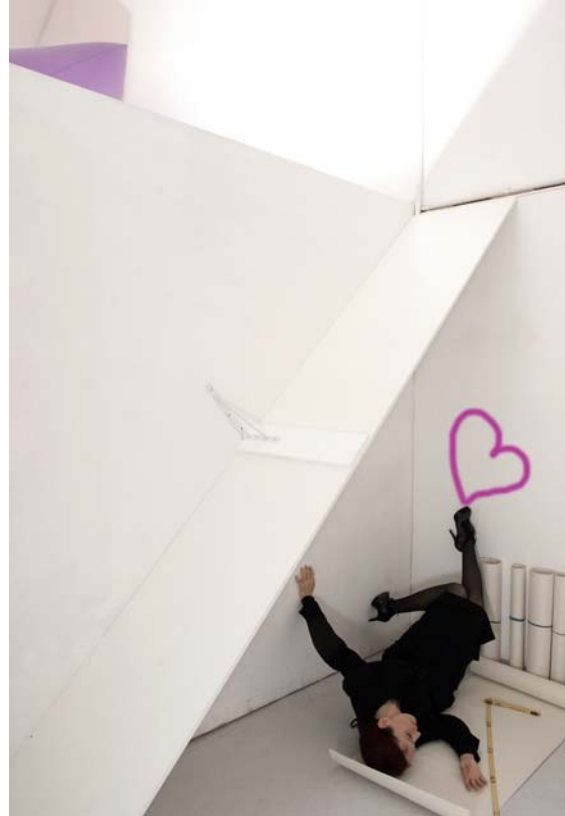

Carefully calibrated, it measures the heart and
the secret spaces within it, revealing exactly
how much love you have.

Enter alone or as a couple, come with an
actual, intended or imaginary partner, with
work colleagues or family members, old
flames or new crushes the choice is yours.

Measuring sessions will run all night, from
7pm to 7am. Be prepared for experimental
feelings. And remember:

"What's mine is yours, and what is yours is
mine."
Measure for Measure, 5. 1

The **LOVE TRIANGLE** welcomes you.
